

The Innovative HyFi Ecosystem Apps - Curtain Raiser

HyFi Alpha Testnet is now in the final stage and may go to public testing in the first week of March, 2026. There have been three apps running under Alpha testing. Contributors of the ecosystem participated in the initial testing phase. Links to these apps along with snaps of screen are recorded for IP processing. (Date: 14-02-2026)

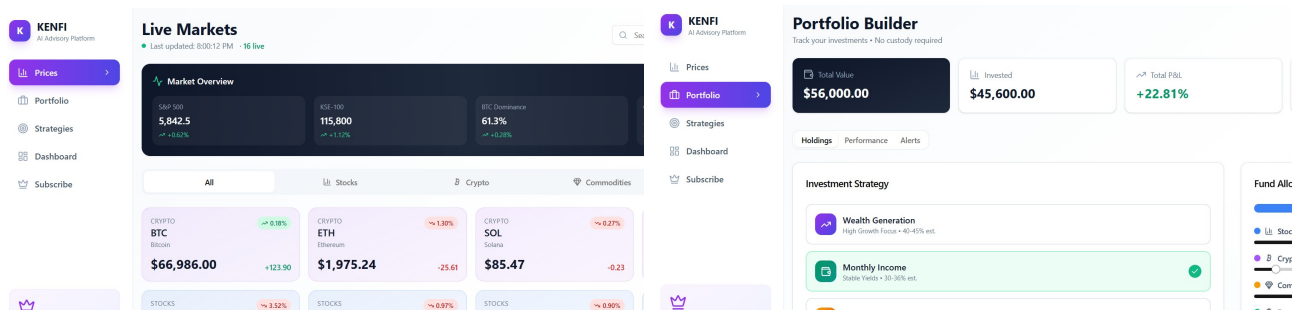

1. **KEN-HyFi:** Payments and settlements in Fiat and Digital assets; provides full scaled supervision and an audit-ready settlement certificate.
